

Using RosettaTablet

1. Turn on the computer.
2. Log into **fvalc fvalc**. Hit **return** on the keyboard.

3. Click on the **RosettaTablet** icon (1 left click).

3. Students can choose a **Unit > Lesson > Listen or Say**.

	1. Alphabet	Listen	Say
	2. Animals		
	3. Body Parts		
1. Unit 1	4. Clocks		
2. Unit 2	5. Clothes		
	6. Colors		

- 4a. **Listen:** Students can click on the icon to hear the word repeated. Students then click on the picture matching the word shown at the top. A student's percentage score is shown at the end.

Date:	Unit:	Lesson:	Score:
8/12/2013	Unit 1	numbers	100 %

- 4b. **Say:** Students can click on the icon to hear the word repeated.

Students click on to record their own voice (talking to the camera at the top of the screen). After 5 seconds, the computer pronunciation and the student's voice are played side by side. Click **Next** to go to the next word. Students are returned to the main menu after the last word in a lesson.
